Model Grid Comparisons.pdf

Good morning,

I'm including a few slides from a presentation given last month by our EAP modelers with some updated numbers on the Salish Sea and South Sound models and a visual comparison with the Budd Inlet Model grids to aid our discussion.

Dustin

Subject: Discussion today

Hello all:

Here is a brief list of items for discussion this afternoon. Please feel free to make additions.

- Follow up on aesthetics – reports/updates/new questions
- Questions on averaging – per Chris's email on 12/23, focus on the table on page five of attached document
- Review allocations for model runs – LOTT

- Incorporating smaller permittees
